## AUCTION SALE

AND SHOW

Monday, Feb. 20, 1950

Marshalltown Sales Barn

Marshalltown - - Iowa

# *Announcement*

You are invited to attend the 69th Auction Sale of the Marshall County (Iowa) Shorthorn Breeders Association.

Few breed associations of any sort survive the years to attain the record of sixty-nine public offerings. In fact, we claim without fear of successful contradiction that we are the oldest Shorthorn group in America selling cattle over the block every year, in boom times or bad times, during War or Peace.

Through the years we have distributed many choice cattle which have done much toward raising the average of bovine excellence in this agricultural region. However, among all of these many good offerings of this popular breed of cattle, few if any, could exceed in value the group that has been assembled for this event.

All of the bulls are of good quality and most of them are choice. There are a dozen bulls in the list good enough to be a top seller in the average auction. If you need a real good bull of rich breeding don't fail to inspect this offering.

The females are also of high average quality and several cows sell with calves at foot.

The best of blood-lines are to be found in this catalog. We cordially invite all interested in good cattle to attend this sale.

The footnotes that accompany many of the pedigrees in this catalog will usually be found to be modest and an under-statement of the actual quality present. Some of the females and many of the bulls are in shape for show ring competition. Some have been winners already.

## FREE FREIGHT OFFER

The American Shorthorn Breeders' Association, Chicago 9, Illinois, will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00 for freight charges exclusive of cost of feed or incidentals. Shipment may be made only by rail and must be consigned to a point more than 300 miles from sale location.

## SHOW

At 9:30 a show will be held with cash prizes for the first three places in each class.

Mr. Russell Holz, Rippey, Iowa, a judge and exhibitor of national reputation, will make the placings.

## *Terms and Conditions of Sale*

**LOCATION**—The sale will be held in the comfortable new Marshalltown sales barn located on South 18th Avenue. This is just south of Main street eighteen blocks east of the Court House. It will be held on Monday, February 20th, at 12:45 o'clock. Intersecting highways make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads. Marshalltown is 290 miles west of Chicago, 197 east of Omaha and 275 northeast of Kansas City.

**TERMS**—Cash, settlement to be made with clerk of the sale immediately at the conclusion of the auction. All animals will be at buyer's risk as soon as bid off, but will be cared for and loaded on cars or trucks in compliance with instructions from purchaser. Care will be taken to avoid accident but will not be responsible should any occur.

**GUARANTEE**—All cattle have passed test for both Bangs and Tuberculosis. Health certificates will be furnished to enable these cattle to go into any state or territory. Bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and if, after three months trial by seller he proves infertile, purchase price will be refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. All heifers under 16 months old and not yet bred, are sold open and at buyers risk. All other cows and all heifers over 16 months old at time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

Sale Manager assumes no responsibility in case of settlement.

**PEDIGREE CERTIFICATE**—A certificate of Registry and Transfer will be furnished with each lot sold, and an application of Registry will be furnished for each calf sold at foot and each unborn calf sold in dam.

**LUNCH**—At Sale Barn.

**AUCTIONEER**—C. G. Mason.

**CLERK**—Earl S. Girton.

**FIELDMEN**—J. E. Halsey of Wallace's Farmer, Bill Imlau, Iowa Beef Producers, Clem Larson, National Association, Merv Aegerter, Shorthorn World and Albert Haman, Iowa Association.

Rothes Goldfinder—To start with we felt that it was unnecessary to write a footnote to sell this bull, talked with George and it didn't set very well, so here goes. His grandsire, Royal Rothes, was supreme champion at Perth, Scotland, his sire, Conner's Keystone Guard, you will find pictured in this catalogue and if you think it flatters him come and see him, he will stand inspection. The dam of Rothes Goldfinder, Duchess of Gloster 4th, is a direct daughter of Supreme Goldfinder and also a close descendant of Walshford Paymaster, the great Canadian bull, and in all respects we will never own a better or a more desirable cow than Duchess of Gloster 4th. We do think this young bull is far superior to any bull that we have ever produced. I have made a study of Shorthorn cattle and their pedigrees and just how does Supreme Goldfinder rank today. What kind of a bull does it take to win supreme honors at Perth.

Tru-Type's Leader 2d—A full brother to the calf Tru-Type's Leader, we sold a year ago in January at Marshalltown. Very much alike, short-coupled and deep-bodied, lots of quality. If you need a bull later on this summer or late spring, don't overlook this calf. Was pretty thin when taken off pasture last fall, but really coming along fast. A good feeder, and he'll develop O.K. His dam is a half sister to Western Trademark, the bull that is making history in South Dakota.

Superior Archer—The last son of Superior Browndale, he has an unusually good head, very good in his hind quarters, plenty of bone, is both thick in his body and fleshing all the way. His dam, individually, is the best looking cow on the farm. No wonder this calf is good. We think we are safe in saying these last two sons of Superior Browndale are the best bulls we've ever sold at auction.

Superior Golden Toft—A deep solid red, he is without doubt, in our minds, the best bull of our 1948 calf crop. Had seriously considered using this bull in our own herd, but have too many females of this same family in the herd. Have twenty head of breeding age in the cow herd. You'll make no mistake on this calf. He's extra short-legged, deep and thick, good head, and plenty of natural fleshing qualities. His dam is one of our very top cows.

Gloster's Masterpiece 2530340. Good dark roan color and a good bull. Lavender Maid 9th, his dam, had six calves sired by Regal Gloster and each calf was a good one. One bull topped our 1946 sale going to Wisconsin, a heifer was Champion in the Timonium, Maryland State sale. We have two females in our herd and she now has another bull calf that looks as good as any she had.

I bought this good Rosewood cow in the 1946 State Sale. I now have two daughters of breeding age. She is in calf since July 1st, 1949, to the service of Holmgoade Sirdar, he being a son of Imp. Marellbar Sirdar. I bought him in the Holm Bros. dispersion at Webster City where his calves attracted much attention. She should drop her fifth calf by the time she is six years old and is a plain example of the quality, weight for age and rapid production that has made Shorthorns so popular. She is a choice cow in any herd.

Clara 105th is very compact but as you will note her pedigree disproves her to be of compact breeding. She has raised me two calves, the first is a roan heifer and the best thing on the farm. The other is a steer being fed for 4-H by Howard Gilman of Stuart, both being sired by Helfred Air Control. She is in calf since June 16th to same bull.
